Work Experience

- Worked as **Brand Executive** (Strategic Marketing Department) in **Radiant Pharmaceuticals Limited** for seven months.(From April 2017 to October 2017)
- Chemistry instructor in admission program (UDVASH, OMECA)
- Actively participated in BNCC training in Comilla Cantonment under Bangladesh Army.

Research and Training :

1. Chemical and biological investigation of *bombax cebia* plant.
2. A survey based project was accomplished ‘on prevalence of ophthalmic disease in Dhaka & available ophthalmic drugs in Bangladesh’ in my 5th year of graduation.

□ **Medical training at Dhaka Medical College**

June 2016 to November 2016

The medical training took place in

- Cardiology
- Pediatrics
- Nephrology
- Medicine
- Pharmacy
- Surgery department

The training was intended to promote hospital pharmacy in our country and to give us hands on experience about clinical practice skills, drug information and rational use of drugs, adverse drug reaction, critical thinking skills, decision making skills under conditions of uncertainty and collaborative interpersonal practice skills in a diversified environment of Dhaka Medical College.

□ **Industrial training at Incepta Pharmaceuticals Ltd.**

1st March 2016 to 28th March 2016

Successfully completed 4 weeks in-plant training at Incepta Pharmaceuticals Limited, Dhaka, Bangladesh during which worked in the following departments: Production, Quality Assurance, Microbiology, Research and Development,

Engineering, Packaging, Warehouse, Administration. This In-plant Training provided an industrial exposure to the operations and functions of various machinery and equipment used for manufacturing, quality control and packaging of pharmaceutical products as well as to develop my first hand knowledge of managerial skills in the high tech pharmaceutical industry.
